

NY Main Street 2017 Grant Application
Village of Hamburg
Palace Theater Renovations

Information for Letters of Support

Project Summary: The Village of Hamburg is applying for a New York Main Street Anchor grant through the 2017 Consolidated Funding Application (CFA) round. The funding will support the renovation of the Palace Theater and continue the momentum of downtown revitalization in the Village. The grant would provide funding for facade and buildings renovation that will improve the economic sustainability of the theatre and help to attract visitors to the downtown core.

Benefits of Project:

- The project will provide funds to renovate an important anchor in the Village of Hamburg Downtown.
- Theater building improvements will induce additional private investment downtown.
- Renovations will allow the owners to keep the Palace Theater open by reducing maintenance costs and providing theater patrons with improved interior conditions.
- The project will complement millions invested in Downtown Hamburg including multiple New York Main Street grants.

NY Main Street Grant Program

The Village of Hamburg will be seeking up to \$500,000 in funding from the New York State Office of Homes and Community Renewal for the project through the New York Main Street grant program. The NY Main Street grant program provides funding to help communities revitalize commercial and residential properties to induce private investment. Applications are due July 28, 2017 and award announcements will be made in December 2017
